Greetings:

This has been brought to my attention and all officials shall make the adjustments immediately without any reservations.

Players wearing ear rings and other visible jewellery shall not be permitted to participate in the game, even if the item is covered with tape. It must be removed prior to the player entering the game.

T-shirts (long or short sleeve) shall be permitted but only when the T-shirt is the same colour as the jersey.

Spandex that appears below the shorts shall be permitted but only if the item is same colour as shorts. Having the player rolled up is not acceptable, as it will eventually appear below the shorts. This item must be removed. No exceptions.

Regards

Bill Denney  
BCBOA Technical Director
